**PETRONAS Incident Notification, Investigation And Reporting Guidelines (Major & High Potential Incidents) Revision 0, October, 2020 (MPM/HSE/GD/38/00)**

We are hereby, pleased to roll out the PETRONAS Incident Notification, Investigation And Reporting Guidelines (Major & High Potential Incidents) Revision 0, October, 2020.

This guideline describes PETRONAS' requirements for incident management by the PACs, particularly for Major and High Potential Incidents.

Attached is a copy of the PETRONAS Incident Notification, Investigation And Reporting Guidelines (Major & High Potential Incidents) Revision 0, October, 2020 for your reference. This copy is also available in Platinum website (<https://platinum.com.my>).

Should you require further clarification, please do not hesitate to contact Mr. Azrul Abd Hamid at 03-2392 4085 or via email at [azrul\\_hamid@petronas.com.my](mailto:azrul_hamid@petronas.com.my)

Thank you.

A handwritten signature in black ink, appearing to read "Shamsol Effendy Bin Dismal".

**SHAMSOL EFENDY DISMAL**  
General Manager
